

How To Keep Your Healing

Each one of us needs to learn not only how to receive our healing from God, but also how to keep it. When we believe God's healing words and promises in the Bible, we need to act upon them, and by faith believing God to receive them into our bodies and lives. The power of the Lord is there to bring the manifestation of healing to you.

When we are healed, and indeed if we may need to seek the Lord in that pursuit, we would always encourage praising and thanking the Lord.

After all Jesus is the Healer - He paid the price on the Cross of Calvary for our total Redemption.

Isaiah 53:5 says: ***He was wounded for our transgressions, He was bruised for our guilt and iniquities, the chastisement [needful to obtain] peace and well-being for us was upon Him, and with the stripes [that wounded] Him we are healed and made whole.***

God is not the author of sickness and disease, the devil is!

Acts 10:38 says: ***God anointed Jesus of Nazareth with the Holy Spirit and with power, who went about doing good and healing all that were oppressed of the devil, for God was with Him.***

The devil oppresses us with sickness and does not care about our well-being at all. Jesus called him 'a liar and the father of lies'.

John 8:44 says ***the devil was a murderer from the beginning, not holding to the truth, because there is no truth in him. When he lies, he speaks his native language, for he is a liar, and the father of lies.***

John 10:10 says ***The enemy comes to steal, kill and destroy. Jesus came to bring life, and life in all it's fullness.***

So the enemy will try to steal God's promise from you, or lie to you that God doesn't love you enough to heal you. These lies and others come to attack and aim to destroy your faith in the One who really cares for you. The enemy wants to steal the Word of Promise before it becomes firmly rooted to produce the healing.

Only rooted seeds can germinate, produce roots and eventually bring forth fruit. Reading the parable of the sower you can see this in Matthew 13:20-21: ***for what was sown on thin rocky soil, this is he who hears the Word and at once welcomes and accepts it with joy. Yet it has no real root in him, but is temporary inconstant, lasts but a little while, and when affliction or trouble or persecution comes on account of the Word, he begins to distrust, doubt and desert Him Whom he ought to trust and obey.***

So you need to focus on scriptures on healing and not on the symptoms or what your body tells you. Have faith in God's words for you and trust Him and wholly rely on Him for the healing.

Keep your heart and mind fixed on God. Stand against everything that contradicts His Word. Say what God says on the subject of your healing. Allow His words to fill you. We encourage you to audibly praise God for his promises.

Isaiah 26:3 says ***You [God] will keep in perfect peace all who trust in You, all whose thoughts are fixed on You!***

We need to hold fast to that which is good. We must allow the Word to take root within our hearts so that the complete healing can be manifested.

If the symptoms return, we must set our faith in God and his Word and tell the enemy, no matter what, we are not going to believe his lies.

James 4:7 says ***Submit yourself to God. Resist the devil and he will flee from you.***

**God is not the author of sickness and disease. The devil is!
I resist the devil, and he must flee from me.
I hold fast to the Word of God.
I keep my healing!**
